

This is to certify that

**Matrix Precision Engineering Limited**

Unit 13 PipersWay Industrial Estate, Thatcham, RG19 4NA, Berkshire

Has been assessed

by Tom Ellson for IT Governance Ltd

against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet Facing infrastructure: Matrix Precision Engineering. Includes firewalls, routers, end user devices and hosted systems. Single Location Site.

Certification date: September 19th, 2018

Recommended re-assessment date: **September 18th, 2019**

Certificate no.: 3023203833174765

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
